ACTION PLAN 1

S Specific

M Measurable

A Achievable

R Relevant

T Time bound

What is your goal? What do you want to achieve? From what metric? To what metric? By what date?

Minimize pre-owned old age inventory
Control 90 day plus units

BOTTOM LINE: Benefits of Achieving Your Goal

Free up cash flow
Allows grater purchasing power
Creates income for service departments
creates income for parts deparments

Consequences of Not Achieving Your Goal

Loss in sales service and parts
Would be hard to move wholesale

When will you start? 10/26/20

How will you gauge your progress? When? Using which metrics?

Using v-auto to our advantage
Working with sales manager daily
Working with service manager

What specific actions will you take to achieve your goal? Who can help you?

I will commit to assure all levels of management understand the importance of the task implementing the use of all tools at their disposal. This goal can only be achieved if sales, service, parts managers commit to do their part.

Potential Challenges?

Managers not buying in
Not utilizing tools v-auto

Potential Solutions?

Trading out inventory with dealer out side
our area
Have all manager demo a car
use v-auto
