

## **Parts Action Plan**

**Part Manager:** Rolando Castellanos

**Current Reality:** Aging inventory is sitting and not moving in a timely fashion.

**Desired Outcome:** To be at or below 3% Obsolescence over 12 months

### **Action Priorities: What Will Be Done?**

Use part broker direct to sell aging parts to reduce number of aging parts.

Use GM Rim Program every 22<sup>nd</sup> of each month to send back aging parts.

Continue using eBay as a third option to sell aging part. Parts catalog is available online.

### **Responsibilities: Who Will Do It?**

Rolando Castellanos

Angel Mendez

### **Time - Line: When Will This Be Completed?**

This process is ongoing. Every week they will be sending out 2-3 orders from eBay. Parts broker direct Program was at 2 orders being sent out every month. Now 4 or more orders being sent out when available. This is a daily matter being addressed.

### **Accountability: How Will We Measure Success?**

Track in AutoMate Program by running the MGR report weekly.
