Increase our net to gross.
<b>What is the proposed plan? How will you achieve it?</b>
I am going to examine expenses and determine if we have unnecessary expenses as well as explore ways to reduce expenses.
<b>How will you track your progress? What measurements, KPI's? How often will you track?</b>
The KPI will be net to gross overall, as well as tracking expenses in the categories I am focusing on.

I won't be sure of this until I start digging into the specific expenses.
