Dear Riley,

Allow me just a moment to introduce myself. My name is Eric Soto, and I am the General manager of Ed Napleton Honda of Oak Lawn. I want to let you know that I am personally committed to making the internet buying experience a pleasurable one for you. We have found that Internet customers usually want to save time and money, and most of them want to avoid the stereotypical practices that are unfortunately still common in our industry. Your business is extremely important to me, but even more important is your satisfaction. Whether you decide purchase a new or pre-owned vehicle, I want out dealership to earn your respect and your business.

Please let me know if there is anything I can do to assist you or make your experience more enjoyable.

Sincerely,

Eric Soto
