An Introduction to Characteristics and Simple Strategies

Autism Certification Center
470 Glenmont Avenue
Columbus, OH 43214
acc_info@ocall.org
autismcertificationcenter.org

This introductory module presents information about unique characteristics of autism spectrum disorder (ASD), including social-communication, restricted interests and patterns of behavior, sensory, cognition and information processing, and emotional regulation. Five simple strategies are introduced that may be used anytime, anywhere with young children, students, and adults with ASD.

Course Completed:
March 26, 2024 - April 11, 2024

Shawn Henry, Executive Director, OCALL
