

# Normalcy and Reasonable and Prudent Parent Standard Training Post-Test

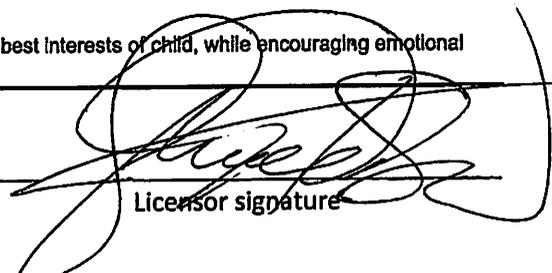

Please complete and return to your licensor for training credit

1. What does "normalcy" mean?  
Age and developmentally appropriate activities.  
\_\_\_\_\_
2. Fill in the blanks: Developmentally appropriate activities are based on a child's cognitive, emotional \_\_\_\_\_, physical \_\_\_\_\_ and, behavioral \_\_\_\_\_ capacities that are typical for an age or age group.
3. What are 3 factors to consider when applying the Prudent Parenting standard to parenting decisions?  
Best interest of the child, behavioral history of the child and risk of the activity  
\_\_\_\_\_
4. TRUE  OR FALSE  Caregivers demonstrating compliance with the Prudent Parent Standard will not incur civil liability if foster child is harmed or injured while participating in an approved activity.
5. TRUE  OR FALSE  A caregiver must get permission from an agency for any activity that takes a child out of the foster home for longer than three nights.
6. TRUE  OR FALSE  Corporate foster care and residential facilities must have at least one person available on-site who is trained and designated to apply the Reasonable and Prudent Standard.
7. TRUE  OR FALSE  In order for a child to stay overnight at the home of a friend, it is necessary for the adults in the home to complete a background study.
8. TRUE  OR FALSE  If a birth parent does not agree to their child participating in an activity, the child may not participate.
9. Case example: A child's individualized case plan states that she cannot go into the community by herself. She has asked her foster parents if she can go to the mall after school by herself. In this case, should the foster parents follow the child's individualized case plan or the Prudent Parent Standard? Case Plan  OR Prudent Parenting Standard
10. What is one way you plan to implement the Prudent Parent Standard with your foster child(ren)?  
Maintain healthy and safe, cultural, religious and tribal values and best interests of child, while encouraging emotional and developmental growth.
