

Current Issues in Missions - Team Presentation

Each team has been assigned a particular current issue that impacts missions today.

1. The presentation should focus on the how this issue is impacting the mission field today:

- How does it impact missions recruiting?
- How does it impact missions training?
- Does it impact decision-making and strategy of mission organizations?
- Who is most effected by this issue?

2. The presentation should also include a critical analysis:

- How does this issue positively and negatively contribute to our current understanding of missions?
- What are the long and short term consequences of not addressing this issue?
- What recommendations do you have for Mission organizations trying to addressing this issue?
- Does this impact sending churches?

The presentation should be 12-15 minutes in length and each member of the team should have an active speaking role within the presentation.

3 to 5 minutes of class response and questions will follow each presentation.

The presentation should be:

- well organized
- scholarly
- creative
