

Nathaly Hiciano

Ms. Marie White

EDU259, Proposal

January 22, 2020

In this new season of my life in Nyack College and as my third semester being with my Pr. Marie White, learning about Self-Regulation and Social and Emotional Learning. It will be important for me to discover more about myself by enjoying the kids after school program in *Manhattan Christian Academy, 401 W 205th Street New York, NY 10034*. To look closely in what area I can cover a need by working with kids and how I can help them.
