Committing My Life To God

Lord, as of day today February 5, 2020, I would like to dedicate my life to you God because I know I can not do this alone for you are the way, the truth, and the light which helps me realize you are the only way to get to the destination which I am desperate to get to, heaven. I know along the way there will be many sins I have committed that will not glorify you, I hope before you that I may ask for forgiveness when this happens. I know this will challenge me to become a better person which others will look up to. I hope you guided me down the right path and help when it is needed. Help me when times get difficult so that I may know that you will not leave me alone. Lord, I want to be able to proclaim your word across all nations and proclaim that you are the only way out of this earth. Our citizenship is not in this world, but in heaven, where we are commanded to be in as long as we proclaim your son our Lord and Savior Jesus. I would like to show others who I am and why I do what I do, and that is following you O God. Others do not understand why I am doing this but I know that you do Lord, I pray for the people that turn their backs on you for the reason that they don't know what they are doing. I want to be the person who people come up to me and say, "what scripture transformed my life", and be able to share what is on my

heart. I declare myself before you God and hope for the best in my life for you are one which I followed and hope it continues that way.
