Final Project Part A

March 16<sup>th</sup>, 2020

I. What does it mean to teach?

- ...to help another person understand.
- ...to help another person understand why something is worth understanding.
- ...to help another person responsibly use what they know.
- ...to cause change.
- ...to be a lifelong learner yourself.

(Hook, Experience & Participation)

II. Which Teacher's teaching method has impacted you till this day?

- Split into groups sharing stories
- Have one person from each group to share
- Sharing my own testimony

(Book & Connection)

III. HLBTL

- Hook (present): capture their attention
- Book (past): Read the truth out loud once or twice. Show how it connects with the hook.
- Look (present): consider possible personal and contemporary application
- Took (future): the student should identify with the lesson and choose an application to apply

(Look & Image)

IV. Learning Styles

1. Analytic: lectures, notes, systematic, intellectual
2. Dynamic: Must move around, creative; fidgety: Do Do Do
3. Relational: Verbal processor, cooperative, interactive, emotional feed off energy by talking
4. Common sense: "so what"? practical, how to apply knowledge

(Took)

V. Moving Forward
