³ Infinitive construct of לקח

⁴ Here, I am leaving the munah (cantillation mark) under the tav to show you where the accent falls. This is important for your correct interpretation of the verb. Note too that in this example, the verb is translated in the present tense.

⁵ When 2 nouns are separated by a preposition, as you can see here, you will usually need to insert a form of the verb "to be."

⁶ Similarly, with the interrogative, you will need to add a form of the verb "to be"
