

## NT 637 FINAL EXEGESIS PAPER/PROJECT PROPOSAL

KANG SEONG SHIK

- A. OVERVIEW: it is more likely to do teaching series, or sermon.
- B. Abstract: I would like to explain my youth group or CCM audience “Jesus Christ” that is based on Philippians 2: 5-11 and the gospel of John chapter 1 “prologue”. John described Jesus as “light of the world”. On the other hand, Paul emphasized on Christ humble attitude. Is there any correlation between Philippians and John? Any different issues?
- C. Target audience: I am Sunday school teacher for many years, and am able to explain who “Jesus” is for our youth group or young Christian adult.
- D. Rationale: many Christian doesn’t fully understand real “Jesus”. This is the great opportunity to show “Christology” or even further trinity of God.
