

**Lesson 3 Homework Assignment NAME: huiqin he**  
**watched the video and the debate, answer and submit the following questions:**

- 1. Who is the Republican candidate for President?**
- 2. Who is the Democratic candidate for President?**
- 3. Why don't the two candidates shake hands?**
- 4. Was there an audience?**
- 5. Name one topic that was discussed.**

My comment:

Donald Trump is the Republican presidential candidate. Joe Biden is the Democratic presidential candidate. The two candidates did not shake hands because of the competitiveness of the 19 nations Federation and the presidential campaign. I don't think they're spectators, they're fighting like enemies. They discussed "should affordable health insurance be abolished?"
