LESSON 5: INFORMATIVE SPEECH QUESTIONS

NAME: PEIH SHIA OOI

---

1. How skillfully do you think the speaker was able to provide important information in his speech. Give one example.

I think he has good skill to provide important information in his speech. His powerpoint presentation is quite easy and just point form and then he explained from the point form.

2. What special techniques did the speaker use to relate to his audience? (use of visuals, dynamic speech presentation, personal stories, humor, colorful visuals).

He used visuals technique to explain his presentation. He gave a lot of facts that relate live example that happened to give a picture to the audience which that incident happened among the audience. The color of his presentation is also not the sharp colour. He used a lot white colour wording and dark background. This can capture the attention of his audience.

3. How does the speaker use cause and effect to show his point? Give one example.

The speaker mentions what cause homeless is health care. The effect Without health care insurance, is one illness or bad break can send an entire family down the road to homelessness.
