Title

Stop Cyber Bullying

There are lots of social problems occurring nowadays. The development of technology causes lots of them. Cyber Bullying is one of them causing serious problems and it should be stopped.

First, the offenders doing the Cyber Bullying are mostly anonymous and because they are, the bullying can be more serious than normal.

Second, Cyber Bullying would cause the victim to develop a mental issue growing up which could make them hard to continue their social life.

The solution to prevent Cyber Bullying is to reinforce the punishment and strengthen the online restriction. Preventing Cyber Bullying maybe difficult but we have to stop this problem.
