

TRIAD PAPER

Triad Group Members:

Theresa Allen

Les Andra Bolton

John Kim

Jeanbaptiste Lamisere

My triad group experience is an unforgettable moment. They are simply the best. We met virtually on Saturdays. We discussed ministerial challenges, gave advice, and engaged very lively discourse regarding the various topics assigned. We had candid conversations on sensitive issues. Sometimes, were shocked or surprised by the advice and the answers given to questions. We discussed various issues in relation to Spiritual Formation. Leadership Skills, Leadership Styles, Sexuality in the Church, Evangelistic Outreach, Hierarchal Structures within the Church, Diversity, Intergenerational, Class Issues in the church.

Each triad member brought a unique perspective to the issues addressed. We were mesmerized each other's with level of transparency. We learned from each other and were all willing to accept constructive criticism. The following is a synopsis of the issues we discussed in our as follows:

- I) Spiritual Challenges

We shared how we are constantly striving to develop our spiritual formation. We shared how we have different theological perspectives and ministerial styles. WE discussed how we can use our gifts to edify the kingdom of God

II) Leadership Skills

We shared and gave advice on various leadership styles and skills that are useful in edifying the body of Christ. We also discussed how important it is to respect the leadership hierarchy and follow directives. We also discussed the importance of loyalty and mentoring.

III) Sexuality in the Church

We discussed sexuality issues in the church and the impact it has on leadership. WE discussed sexuality issues in the 21st century context. We also discussed intergenerational issues regarding sexuality

IV) Leadership Assessment

We discussed the importance of following directives and policy. We discussed the proper course of action that should be taken when one transcends an organizational structure with outstanding Leading ability.

V) Spiritual Growth

We assessed our growth and maturity level in ministry from the year we entered ministry until the present. We critiqued each other and gave sound, candid advice.
