My thesis statement:

I adamantly believe that as a teen girl finding purpose through mistakes brings lessons.....

Outline:

First reason: We are able to learn from it.

Second reason: We are able to help others grow.

Third reason: We are able to grow as a person.

Counterclaim: It is often asserted that.....as a teen girl finding purpose through mistakes brings lessons however I disagree with this statement.....

Conclusion: Lastly as a teenage girl finding your purpose through the mistakes you make will bring lessons. **Say my reasons again but in a different way.**
