Paper Topic

Luke is the only book that details the birth of John, the cousin of Jesus and how even in the womb they had a connection. Luke 3 details John baptizing with water and declared of another coming who will baptize with fire and also of Jesus being baptized and the miraculous opening of Heaven declaring that Jesus was “my Son in whom I am well pleased”. Somehow in Luke 7 who find John questioning Jesus and asking if He was the one they were waiting on or should they wait for another.

My topic is “Did John think Jesus was the Messiah?”
