

LeVar Folk

On a sheet of paper, please answer the following questions (submit to dr. Moon)

Prepare a mini presentation for Week 4

- Are you going to start a new project or continue a previous project?
I will continue work on my previous project
- What is your research question/area of interest?

To learn if new parenting techniques and how to manage stress will assist Mr. B in positive interaction with his children.

Verify if reduction in anxiety and depression will assist in parenting skills

- What method (quantitative, qualitative, mixed, systematic review, single-subject design, project-based, etc.) will you use? Be as specific as possible.

Single-system (AB) design will be utilized. The AB design (A) baseline phase and (B) cognitive-behavioral intervention phase. This research design will evaluate the effectiveness of cognitive-behavioral as an intervention in the treatment of depression.

- What will your data collection tool (survey, interview protocol, standardized scale, etc.) and sampling (contingence, purposive, etc), if appropriate

I will use a survey and standardized scales for collection tools. I will utilize the Beck Depression Scale as one of the tools.

- What will you need most from me?
