#### 7.4b The pact of umar

1. The conditions are not that harsh because in the third paragraph It states that they keep their gates wide open to all passerby and travelers. This shows that even If you are not muslim they still welcome you with open arms and treat you well
2. According to the passage They do not encourage conversion to Islam. It says “ We shall not manifest our religion publicly nor convert anyone to it.” They are showing that the muslims are open to visitors and travelers but when It comes to religion they are very private about it and don't allow anyone In the public to convert
