The message was received from the HOP seniors and I am glad that God used me to bring a message of hope.</p> <p>This week focused on the preaching assignment as I spent time is prayer & fasting and solitude. Solitude these days are hard to come by so I had to be creative.</p> <p>I also taught another DFD class and we had a moment where we needed to spend additional time with the students to draw out some of their experiences. I am really enjoying this part of my field education as the focus is the study of God's word.</p>
