

ANATOMY OF THE PENS IN THE GIFT SET

Product design:

The barrels will have seven distinct types trimmed in polished chrome which are – Maple, Oak, Medium Cherry, Dark Cherry, Walnut, Rosewood, and Mahogany.

The Tip will also be called the Lower Barrel and the Thrust Device will be called Push Button.

The Barrel shown above will be called the Upper Barrel in the Process Flow Chart.

In the Process Flow Chart, the Chamber will be referred to as Cartridge.
