

BSC109 Anatomy & Physiology II
Didactic Instructor: Ryan R. Davis, Ph.D.
Vivian Mbaukwu

On a scale of 1 to 10 with 1 being "Needs significant improvement" and 10 being "No changes needed" please rate the following:

A&P topics

Relevance of tested material

Helpfulness of course material

Dr. Davis' knowledge and guidance

Dr. Davis' Lectures

Overall conductance of this course

The strengths of this course were: 10

The weaknesses of this course were: 10

Changes I would recommend to make BSC109 better would be: 10

Things I would like to see other courses implement that were used in BSC109 would be: 10

Any additional comments: None
