

Case Presentation Grading Rubric
Criteria – 15 points
20 minute presentation

1. Demonstrate your ability to discuss and facilitate a “real-life” case among and with your classmates in an unrehearsed format
2. Demonstrate your ability to formulate a clinical assessment of the client’s presenting problem(s) by
 - Discussing and examining the presenting problem(s)
 - Discussing how the problem(s) surface
 - Discussing what is/may be perpetuating the problem(s)
1. Demonstrate skills in assessing and working through spiritual dilemmas and/or conflicts regarding the client and/or yourself as a therapist.
2. Demonstrate your ability to select a theoretical intervention and why.
3. Respond to classmates and professor’s interaction regarding your case.
