

1-Yes, there are many things about my life that I am impatient with. In the long term, I want to play an instrument professionally and go on a world tour.

2-In our family, our friends, our spouse, we can see the good in our neighbor and in all that we love. Helping, thanking, greeting, volunteering, shaking hands, receiving gifts, adopting animals, Loving nature are some of the aspects that we can see the good in.

3-Actually, it is not regret for me, but there are some points where I am angry with myself. I am angry at myself for studying hard at university and not taking time for myself and not having fun and not going to dance class.

4-Coping with difficulties consists of some routines for me. I prefer to be positive and selectively be with positive people. By keeping a diary and writing down my thoughts. And taking more responsibility by tapping into my strengths.

5-Miracles are extraordinary events, the daily miracle of living a decent life is being able to breathe, run, eat,  
Being able to think, dream and see is the daily miracle of living a decent life.
