

20 years since the event that moved the entire country

20 years ago the tragic moment of 11/09 occurred in the city of NY, an event that shook not only the state but the entire country.

On September 11, 2001 at 8:46 a.m., the first attack against the twin towers occurred in the city of NY, an event that caused a before and after in the entire country, it has been 20 years since this event and many people still commemorate the souls who lost their lives in these attacks.

This September 11, 2021, the 9/11 memorial ceremony was held, where previously these unique towers were located world trade center, President Biden with his wife, the first lady Jill Biden, former president Barack Obama, his wife Michelle Obama, former President George W. Bush, his wife Laura Bush, were present at this ceremony last Saturday. a set of various family directives and people from all over the world were present on this important day.

A very unique ceremony like every year remembers the memory of the fallen on September 11, relatives of the rescuers, the people who were in the tower and on the planes were present at this memorial. Former President George W. Bush gave a speech to remember and thank each one of the fallen from this event, each person who dared to give his life to save another, families that even today present their help to the community after many years of having suffered that loss , we were able to see the minute of silence for the fallen souls and the mention of each of the people who lost their lives that day, people from all over the world witnessed the memorial lived last Saturday September 11 to remember those who They did not say their last goodbye.

Over the years we have been able to listen to the last goodbye messages of many people who died on such a strong day, after the advances of social networks it has been possible to recover audio videos and images of what were the victims of such an event, In the same social networks we have been able to observe the various victims of the tragedy share their story and share how they have overcome everything they lived through, we see that once again social networks have helped the community to connect with each other, after also talking more It has been seen that

this year after the covid 19 pandemic and many people the country did not react in a more personal way, many families attended this memorial. Families from all over the world were present on this day both in person and through social networks, everyone could observe such an important memorial throughout the time that this transmission lasted.

As every year this year we were able to see this memorial and remember that once again what is known as the event that shook America and how it gave a new positive or negative change to this country.
