

Emmanuel Omana
Pastoral ministry
10/2/21

Goals/Strength and weakness

The two strengths I have is spiritual leadership and healthy living.
Two weakness I want to improve are Empowered Ministry and Biblical foundation and denomination/Church.

My two goals are for this semester is to read one to two books of the Bible and to continue to go to church when they are teaching doctrines.
Another goal is to get more involved in the church not only in music worship but get involved more with the community to teach or to learn something.
