Apostrophes Exercise

This week's exercise I did better, I had 17/20 in exercise 3; 20/20 in exercise 4; and 18/20 in exercise 4.

1. Nick slammed the oven door shut when he discovered Mom's burning pie's inside.
 - A. Change *oven* to *oven's*.
 - B. Change *Mom's* to *Moms*.
 - C. Change *pie's* to *pies*.
 - D. No change is necessary.

In the sentence above, I had chosen option 'A' as the answer but It was wrong and Option 'C' is the correct answer. This is because; *Pies*, a plural noun, and it requires no apostrophe.

The correct version:

1. Nick slammed the oven door shut when he discovered Mom's burning pies inside.
