Topic: Islam and Jesus

In the Final Paper, I will talk about how Muslims view Jesus in their religion. How Jesus impacts their prayers or their daily walk in Islam. How does the Quran view Jesus as? Do Muslims see Jesus as just another figure in Islam? Is Jesus on the same level as the prophet Muhammad? Thesis: Many Muslims view Jesus as an important prophet in their religion and the most extraordinary human being that the almighty God created and viewed Jesus as a “special person” So if there is something special about him, why don’t the Muslims agree that Jesus is the Son of God? In the final paper, I will compare and contrast Jesus in both religions.
