

### Theo in MHC Week 13: Group Work

- Fill out an Institutional Evaluation Survey from Dr. Greg Beeman
  - Please take 15-20 minutes to fill out the Institutional Evaluation Survey from Dr. Greg Beeman sent to you via email two weeks ago, it is mandatory since we have been asked to give students class time to fill it out
  - It was sent out Dec 1 to your Nyack mail
  
- With your partner research, discuss, and prepare to present on the topic assigned to you
- Each group will research the topic to provide the class a background of the topic you worked on
- Share your findings with the class (about 8 minutes):
  - What were your original thoughts/assumptions about the topic
  - What are your opinions now
  - How did the information you gathered confirm or dispute your initial assumptions
  - What resources were the most useful when researching your topic
- How does this topic relate to being a:
  - Christian
  - Counselor

<b>Partners:</b>	<b>Topic:</b>
April and Giselle	2. In counseling heterosexual couples, would it be more beneficial and insightful to counsel the couple by cofacilitators that represent both parties providing male and female perspectives on marital issues? Why or why not?
Nicole and Soreth	5. Once we are fully in our profession, how can we best maintain our self care?
Sarah and Rachel	3. What are some approaches that can be taken in order to make biblical truths real and relevant for an adolescent today who is being bombarded by both falsehoods and distractions?
Jennifer and Karen	1. demonic possession vs psychosis?
Erlinda and Grace	4. How can I minimize my own cultural biases when interpreting the Bible?
Kaitlyn, Katterin, and Larreya	6. In the present climate of racial tension and discrimination, when should racial

	issues be addressed or in what context during the counseling process?
