INTERNSHIP LEARNING GOALS

Make sure your goals are S.M.A.R.T: Specific, Measurable, Achievable, Relevant, Time-bound!!!

Intern's Faith-Filled Risk: a personal faith-filled risk is engaging in outreach to organizations outside of the church and developing/partnering relationships for the junior senior high school and college students.

Intern *and* Mentor's Faith-Filled Risk: a faith-filled risk is working together to develop a team to send out to our location in Tajikistan to help with their retreat and leadership development.

Personal Goals (see Learning Contract from SF503):

I will improve on my marriage by developing a healthy discipline of time management and intentionality to quality time with my family especially my wife. This is done through the block scheduling structure used and developed through Rob. This includes keeping non-negotiable morning blocks open 3x a week and Saturday evenings but still learn to maintain the necessary 40-50 hours/week in a healthy way.

Knowledge Goals:

I will learn about what I need to do to serve in the denomination by meeting with the district superintendent and the national recruiters to walk me through the accreditation process by the end of winter and setting up SMART goals relating to ordination before the end of summer

Skills Goals:

I will improve on my leadership in worship by leading worship once a month and receiving constructive feedback from the worship coordinator. This will also include myself attending the worship conference held by the Metro District.

Spiritual Goals (see Learning Contract from SF503):

I will practice the discipline of fasting and prayer once a month for till the end of the year.

Intern and Mentor will discuss the following topics during Mentoring Sessions:
