

King of my soul, I come to the in dust and ashes. I thank you for all you have done for me, thank you for your Son Jesus Christ. Dear Lord, you know all the contents of my heart, when I desire you and when I don't, you understand my frailty though youre greater than all my problems.

Please Father, by the love you demonstrated through your Son on the cross, I now surrender my heart that from now henceforth, it would be a threshing ground for you until I completely become what you want in Jesus name. Amen.
