Service

1. I hope that some students or a particular student will be able to make some level of progress in achieving his or own academic goals.
2. I hope to increase students' social readiness as they prepare to advance to the next grade.

Academics

3. I hope to improve my teaching skills in social studies and science.
4. I would like to gain knowledge on the running record and state exams.

Leadership

5. I would like to create an environment whereas my students feel comfortable enough to express their emotional wants and needs.
6. I would like to pave a way for collaboration between all adults in the classroom, whereas I am being included in the decision-making process and planning.

Teaching

7. I would like to better my abilities in differentiating lessons.
8. I would like to work on making my lessons more interactive and tactile.
