Title: World History, Frameworks 21b,1and 2

Kipling's attitude towards imperialism was that he was suspicious of democracy and of the British liberals, he was more in favor of colonialism.

The white man's burden was Kipling's belief that the British empire was the Englishman's divine burden to reign God's empire on earth.

The judgment of your peer's seems to sound like. You will reap what you sow, with all the atrocities done and caused in the name of Imperialism.
