Research Questions

- Can you think of a time you felt meaningfully included in the life of the church? If so, tell me about that.
- Are you comfortable inviting other single adults to this church? Explain.
- Can you think of a time you felt excluded from the life of the church, or like you did not fit in because of your singleness? If so, tell me about that.
- Are there single adults in your church who are in leadership, or who are otherwise considered role models? Who are they?
- Does your church offer any resources specific to single adults (small group, social event, seminar, etc.)? If so, what are those things? Do you participate in those things? Would you participate if they were offered?
- Can you think of anything spoken from the platform during the worship service that was particularly relevant to singles (announcements, sermon illustrations, sermon topics, testimonies, prayers)?
- What life events/ situations does your church celebrate, and how (eg Mother's Day and Father's Day events)?

- Is there anything else you would like to say about your experience as a single adult in the church?
