

CW 1 – Alternative Final Exam for students that missed the film viewing

This powerful image was taken in 1970s. It is either in the Bronx or Harlem.

Write an MLA style essay. Five paragraphs, double-spaced – 450-200 words or 2 pages.

Discuss any themes you see in this image. For example: resilience, trauma, play etc.

And/or Discuss what this image communicates to you about the nature of life.

Support you view with details from the picture.

Remember:

MLA heading is double-spaced and on the left:

your name  
professor's name  
course  
date

Include a thesis statement in the introduction paragraph.

Indent the first line of each paragraph.
