Are there any special circumstances I should know about? (You're on the Handball team, you have ADHD, you're going to your sister's wedding in March...) I'm dealing with the loss of my son and my dad; therefore, I have moments when it can really distract me, and I shut down. I am currently disable from a fall I took at my job as a school bus driver. I had both shoulder surgeries, and they want to do both knee replacements. The knee replacements I'm afraid to have but I believe God has healed my shoulders and now he's going to heal both my knees. I am mobile but it's difficult to stand or walk too long. This battle will five years February 8th.

Do you have a question I can answer in the next class? If I need tutoring, how would I obtain it? Last semester I felt lost, and communications were low, not for English 102 but for another class that I ultimately failed. And if I could've had access to tutoring I most likely would have passed. I read the syllabus and I don't see when all assignments for that week must be turned in, can you please verify for me?

What are you most looking forward to learning in Global Lit II? I'm looking forward to learning more and finding some enjoyment and not feeling pressured to retain it.
