CD702: Working With People

Professors: Dr. Martin Sanders, Ph. D., D. Min

Descriptor of your spirit: When you take the best of your human spirit and the Holy Spirit, What does that look like?

To explain and show the best of my human spirit when it is working on one accord with the Holy Spirit would be just like Isaiah when he encountered God and said, "Here I am send me" (Isaiah 6:8b). It is responding to the invitation from God, after seeing my shadow of darkness as well as the others that I live around (Isaiah 6:5), by spreading His Word, light, justice, and love so that people would be healed to make more disciples.

Dream: what is the best of you that is to come? What is the best of what you've been given when it plays out?

The best of me to come would be when I have put to death my darkness by walking into the light and celebrating with others by mentoring them to do the same (1 John 1:7). It is with this mantle (of bringing my life into alignment with God), that I would encourage and lead people to enlarge their hearts, to reclaim their soul, and to turn over control of their lives if we are going to restore the image of God in people. My plan would be using friends from different walks of life, who have already put to death what lives in their shadow, and train them to make disciples through transforming their souls to trust and obey God.

What are the two things you'll implement in the next six months, and how?

The very first thing that I would implement is to continue having "Triads" with my group. It is with this vulnerable, but yet safe space, I can trust, evaluate, and process how to move forward to become a better me. Through the agitation and examination of my soul, I can "Press on, Press in, and Press through" which allows me to know who I am and what I have become. In addition, I will strive to become an interesting person so that I can make new friends. Stepping out of my comfort zone by going to college and high school sporting events, not only allows me to learn how to become a better communicator, but also allows me to experience how to reach the lost because the harvest is plentiful, but the laborers are few (Matt. 9:37-38).
