**1- Descriptor of your spirit: when you take the best of human spirit and the Holy Spirit, what does that look like?**

I can describe myself as a man of Faith, and I have provided solutions in very complex situations. I knew that only the spirit of wisdom and the Holy Spirit enabled me to function efficiently at that level.

**2- Dream: what is the best of you the is to come?**

My primary assignment is the Great Commission Mandate. Become a voice for the voiceless and an influencer for those aspiring to leadership; I am an entrepreneur and knowledge broker. In my triad, they confirmed that I have the spirit of wisdom because of some of the profound things I said. If I can identify myself with a public figure in the Bible besides Jesus Christ and the Holy Spirit, that will be Stephen in Acts 6:5

**What is the best of what you have been given when it plays out?**

Seeing many entrepreneurs turn their blueprints into realities through mentoring and partnership. In 2020 I took some time to pray and fast for 21 days. In the second week of the prayer, the Holy Spirit said, "Hervé I have established you on the digital platform to dominate; you will become a force to be reckoned with in this generation.

**3- What are two things you will implement in the next six months, and how?**

- *I am praying for opportunities to demonstrate the Gospel, starting with my neighbors; By 31<sup>st</sup> December 2023 I would like to witness to ten people and get them connected to a local church, I will identify Christian entrepreneurs and mentors that I can shadow and serve*

- *I will seek opportunities to serve and help start-up businesses with their online marketing / Web development and constantly review my approach to meet the competition using the best application and software.*
