

### A Funny Incident

I have experienced many funny incidents in my life ,but the funniest one happened during my summer vacation ,when I was 10 years old. my parents and I had gone to Da Lian for a week.Da Lian is a city on the east coast of China and is famous for its lovely beaches.

One morning,I was sitting on the beach,watching the rise and fall of the waves .In the far distance,fisherman in their boats were throwing nets into the sea,hoping to catch enough fish to sell in the market.At about8:30 a.m.a family of seven came to swim in the sea .The five boys and girls and their parents went into the water.I noticed that all of them were good swimmers.

Everything was going just fine for them.Then all of a sudden,the father ,who must have been in his fifties .cried out,drawing everybody's attention to him.His family quickly swam towards him.I found out that nothing serious had happened to him .Actually his false teeth had fallen out of his mouth and into the water.

It was fun as I jumped into the sea and joined the family in their search for the missing teeth .We dived under the waves and felt around with our feet.After some time ,We realized there was little hope of finding anything in the water.We stopped the search after an hour or so and the family returned to their hotel.The five children walked behind their parents ,laughing and talking about the fun they had looking for their father's teeth.I ,too ,found the whole thing extremely funny.

At around noon that very same day ,a fisherman came to the guesthouse where I was staying with my family .He knew my father and while talking to him,mentioned that he had found a pair of teeth.He thought it to be a good catch as he hoped to get quite a good sum of money for it.

When my mum and I saw the teeth,we burst out laughing.When a fisherman knocks at your door,you would expect to see a basket of fish for sale and not a set of teeth.After convincing the fisherman ,we bought the whole basket of fish to thank him.

I always remember this vacation because it's so funny and I learned a lot from this,we should be grateful to anyone and everything,some people give you a hand when you are in trouble ,they can choose not to help you.
