Alliance University

Introduction- Yasly Urbaez

Hi, my name is Yasly Urbaez and I am from Manhattan, NY. I was born and raised in the United States, but my parents are both from the Dominican Republic. I am fluent in both Spanish and English. I am currently getting my Bachelor's of Nursing at Alliance University. I am so blessed, to have my belief in God and my education combined into one. Jesus is my savior, and the One that redeemed me from my sins. He is also my friend, and prime example. I am very passionate about the word of God and want to make it a goal this year to be more rich in knowledge with the word of God. My dream in my life, is becoming a Registered Nurse and serving for a couple of years. It's always been my dream to work in non-profit companies to give to those that are in need. Maybe some missionary work as a RN, I'm not sure. I will only go where the Lord takes me. One person I admire in my life is my mom, because she has endured a lot in her life and remains strong! God has been her anchor. This is my goal, to not dismay when times get tough, but to trust in God at all times.
