Who are You?

My name is Keon Watson and I am majoring in Biblical and Theological Studies. I was born and raised in Jamaica. In 2018 I moved to the US after high school. I currently live in New York City. I was called to ministry at the age of 12 years old and ever since then I have been serving God with all my heart and soul. I consider Jesus to be my friend, father and savior. The things that I have faced in my life would not be a success if Jesus was not present. His grace was and is still sufficient so that all of us can live a life of freedom. My dream/ goal is to plant my own ministry that can help the people around me, especially sinners. I also want to own a charity program to help others around the world. I believe God has called me into that area especially the gift of prophecy. One person that I admire is my soon to be wife. She is amazing because both of us have similar calling on our lives from God and she is always there for me no matter what the situation is. She ensures I stay motivated to go to work or school or church. She ensures that we are on the right track for success.
