Where You From Poem

I am from my mothers womb
Where love and joy comes from
I am from a family that prays
And believe Yahweh will make a way
I'm am from a family that have faith in Yahweh
I am from you grow and learn from your mistakes
I am from if i cannot Yahweh can
I am from hard times don't last but you will see it through
I am from with Yahweh by my side all things are possible through him that strengthen me
I am from whatever you put your mind to you can do it
I am from overthinking about situation you can't handle
I am from talking to Yahweh will make your life easy
