

Student Teaching and Internship Clinical Experiences

SPRING 2023

During the CoVid pandemic, I am making a commitment to the health and safety of all persons, regardless of the context, by complying with

- The policies and procedures in place outlined in the Nyack College Re-opening Plan [F 20 Reopening Plan](#) which includes, but not limited to, a Statement of Shared Responsibility and Risk, hygiene and cleaning, social distancing, testing and quarantine parameters for students who go to campus.
- The health and safety policies and procedures in place as outlined by the specific school/district in which I am assigned for student teaching and/or internship.
