**Complete this form during the first week of each placement. Make eight goals for yourself for the placement, creating two for each area of our SALT conceptual framework.**

**Service**

1. Building a rapport with the students in the classroom and watching how they complete an assignment that is given to them to complete.
2. I will respect each student and will not judge them based on their culture/beliefs. I will also keep in mind that each student is an individual.

**Academics**

3. Aiding a student in the area and breaking down the work content that is easier for the student to understand and the student is comfortable in.
4. I will learn to know the different levels the students are on by communicating with my cooperating teacher to be ensured that each student is able to complete the task given to them at hand.

**Leadership**

5. I will make sure I lead as an example in a respectful manner in how I greet someone; students are always watching.

6.

**Teaching**

7. Making sure my students are engaged in interactive game
8. As I am teaching I will make sure it is clear and concrete. I will use words that the students are able to comprehend based on their level.
