

Where I am from.

I am from sun,

I from shea Buter, and From attieke(kassava)

I am from the big blue house , where people sleep in the full moon

I am from the beautiful fairy tales of grandmother.

I am from old school Education.

I am from Thank you, please, I am sorry. You not allowed to talk when elderly people are talking , you running to help your neighbors for they need.

I am from hibiscus flower, mangos, lemony and green Vegetation.

Hibiscus fruit are transformed into juice and the mango trees are used for they shade , fruits, and the leaves serve as herbal teas.

I am from using the hene during the wedding night, eating all together in the same plate by hand and scar.

From Khalifa and Azara

I am from every Sunday barbecue with the whole family and churches at Christmas

From if you can't make the family bigger don't destroy it and be an example for others but the good one.

I am 5:30 Am Christian church and every Sunday church.

I am from Bittou, Marra grand.

A fried rice with beef meat ,and a fougou with palm sauce ..

From where lost found and hope was found through prayer and was rewarded with triplets
