

MABS Integrated Project

Hello Dr. Craigmiles,

My name is Peter Brown and I am interested in writing on the topic "Women in Ministry" for my Integrated Project. Do you think this is a viable topic? If so, I am listing a few questions which I think can possibly be addressed. Please advise.

1. What does the Bible say about women in ministry?
2. What are the roles of women in ministry?
3. Does the Bible identify specific roles of women in ministry?
4. Does the Bible say that women cannot be pastors?

Thank you,

Peter
