

1. Where are you from?

I'm from Rio de Janeiro, Brazil.

2. What are you studying?

I'm studying Business Administration and Management

3. Who would you say Jesus is to you?

That's a tough question for me. I believe Jesus is an embodied power energy of the universe.

Religion is tricky for me because in my opinion there's no right or wrong, people just have different interpretations of this divine force. For me, Jesus is love, compassion, selflessness, trust, strength.

He leads by example, and He's someone we can inspire and learn from.

4. What do you dream of doing with your life?

I dream of working for a big company and being really good at what I do. I want to be a leader by example, I want to inspire people, spread positivity and kindness wherever I go, do volunteer work, travel around the world, and have a beautiful family.

5. Who is one person you admire in life and why?

I admire my mom. She's the strongest person I know. She's very determined, goal-driven and I feel like I can learn so much from her. She's my biggest inspiration to keep going and to follow my dreams. I know she will always be there for me.
