Introduction

1. Where are you from?

Hello, I am David Proano, and I am from New York. My parents are from Ecuador, and my siblings were born in Miami.

2. What are you studying?

I am studying Liberal Arts and Science Associate's Degree at the moment and trying to get all my GED's completed.

3. Who would you say Jesus is to you?

Jesus to me is my backbone in life, my savior, and a friend I can always turn to. I am glad to have someone like that in my life alongside my family.

4. What do you dream of doing with your life?

I dream of doing digital animation and having my works adored by the world. I want to share what I have and make the world better for it, or to just make people happy.

5. What is one person you admire in life and why?

I admire my father highly because he is the one who taught me my values that have gotten me where I am today and I could not have had the life I had without him.
