1. I was born and raised in Staten Island, New York.
2. I am currently studying music as my major.
3. Jesus to me is my Lord and savior. He is my strength and sustainer, a friend at all times.
4. I dream to be a light in my generation, where people will experience God's goodness and love through my life.
5. One person I admire in life is my mother. I love how hard working and caring she is for my family and I. She is very selfless and the embodiment of sacrificial love.
